

# FLAMBORO SKATING CLUB

A Pair of Skates is All it Takes!

## November

Newsletter 2017

What a great start to the season! Thank you so much to all of our coaches and volunteers for making sure we had a strong start to the year.

The PreCanSkate and Canskate skaters are looking great so far! Everyone is starting to get the hang of the programs and understand the group rotations and the music cues to indicate what they do next!

### UPCOMING EVENTS

Pajama Day/Meet the Coaches

*Monday November 13*

*Wednesday November 8*

*Saturday November 11*

Parents will be invited to come and meet the coaches during the session and instructions will be e-mailed closer to the day. Coaches will be on hand to answer any questions you may have about your child's progress.

There will also be an opportunity to come into the players box to take some pictures of you child - make sure they wear their favourite or funniest pajamas.

### Remember to Register for Session 2

We currently have openings in our PreCanSkate, CanSkate sessions & Start to Skate.

### Tip for Skaters & Parents

Don't forget to dry your blades after each session to avoid them getting rusty! Only use soft covers (no hard guards) to put on the blades after skating to ensure your blades stay in good condition and last longer.

### Congratulations!

A big congratulations to all of skaters who passed and received ribbons in the month of October. Keep up the good work.

### PA of the Month

Congratulation to our PA for the month of October - Kayla

### Important Information

Please remember that all parents and spectators should sit in the stands or view from the lobby. Please do not stand by the glass or the door as it tends to distract the skaters.
