

FLAMBORO SKATING CLUB

A Pair of Skates is All it Takes!

October

Newsletter 2017

Thank you for being a part of our CanSkate Program! The first few weeks it takes more time to 'load' the skaters on the ice as our coaches like to greet each new skater and check their skates for proper fit. Coaches are also watching to make sure that they have **mitts/gloves** and **nametags**. To help the process along, please ensure that your child has those items before lining up and remember to take them to the washroom before they begin. Each week, the line will move faster as the skaters gain confidence and independence on the ice.

It's very important to **be on time**, as the program is timed to the music and there are specific skills being taught in each time frame so please have your child there 15 minutes prior to their scheduled time.

SAFETY

The safety of the skaters is our first priority. A proper fitting hockey helmet is required and a face cage is recommended. These helmets are designed for use on the ice. A face cage protects them from other skaters' blades when there is a fall. **Parents CANNOT step onto the ice.** This is not permitted by the arena, nor our insurance through Skate Canada. Our coaches and program assistants will assist the skaters to the door or bench if necessary.

UPCOMING SPECIAL DAYS

We have many events coming up in the next few months. A calendar will be sent out listing our special theme days.

PARENT INFO MEETING

We invite those who are new to the club, as well as existing members to attend one of our Parent Information Meetings on October 11, 14 and 16. These meetings will take place in the change room and you can learn more about CanSkate, PreCanSkate and Start to Skate programs.

TALK TO US!

There will be FSC Executive members on hand for each class. Please feel free to ask questions or let us know of any concerns. Find us at the table in the lobby.

KEEPING INFORMED

One of the best ways to keep informed and reminded of special events or changes in the schedule, is through our social media. We post frequently on our Facebook page, emails and website. You can also send us a message via our Facebook page, and we are usually quite speedy with a reply. Please 'LIKE' our club on Facebook, which will allow you to receive updates on your newsfeed. We also try our best to keep the website up to date.

Important Information

COACHING STAFF

Carolyn Allwright
Alexandra Brown
Tammi Brush
Karly Brush
Lisa Erb
Taylor Gracie
Kayla Grimbly
Caitlin Ogino
Rebekah Reimer
